

College of Medical and Health Science

Asia University

Program title: Healthy Aging & Anti-Aging

Dates: July 15 ~ July 26, 2019

Tuition fees: Offer tuition waiver to students of AU partner universities

During the summer months, Asia University is home to international students from around the world. Asia University's Summer Program provides a great opportunity to prepare you for that all-important next step-both academically and socially-paving the way for a successful college experience. By balancing challenging academics with a rich menu of educational and social activities, you will have a learning experience that is truly transformative.

About the Program

Students from around the world are invited to spend two weeks living and learning in Asia University. If accepted to the program, you will have the opportunity to learn at one of the most popular programs of Medical and Health Science. Through this program, you will expand the knowledge and skills in aging-related topics such as lifestyle redesign, nutrition education, and mental health promotion.

The Program Features

During your two weeks at Asia University, you will attend class for six hours a day and participate in team-building events. A group of buddies, made of Asia University students, will be assigned to accompany you, both to the activities in the program and throughout your whole study, giving you the perfect chance to explore Asia University. As a visiting international student, you will enjoy a broad range of experience to balance your academic, artistic, physical, and spiritual development. By offering you well-conceived challenges -- together with support and encouragement in our exceptional program -- you will develop self-confidence and a desire to achieve excellence throughout your life.
